Fees

2019 FEES

Programs offered at CIS do not attract funding from either the Federal or State governments and for this reason CIS charges for all programs at a rate determined by CIS.

Full-time students may be eligible to apply for AUSTUDY or other government benefits.

The FEE-HELP government loan is available to eligible students. Information on FEE-HELP is available from the Registry.

Fees are payable by the census date of each course unit. Course units may have different census dates depending on their offering mode (e.g., intensive, extensives or semester). Census dates can be found on the full academic calendars or by contacting the registry. Where a student withdraws from a course unit before its census date, if tuition fees have already been paid for that course unit, the fee for that course unit will ordinarily be credited or refunded. After that time, no refund applies.

NOTES ON FEES

- Results may not be issued until all fees, including any library fines, are paid.
- Senior Citizens and Pensioners receive a 10% scholarship if proof of status is provided at time of enrollment and registration.
- Direct debit, Visa, Mastercard and cash are acceptable payment methods.
