Join Dr Veronica Rosier OP in exploring the fundamental theological and pastoral principles set out in the Church’s key liturgical documents and ritual books since Vatican II. Understand the foundations for worship, and the way in which the rich symbolic-ritual dimensions of liturgy both express and shape the community’s faith and relationship with God, especially in the Mass. Develop knowledge and skills in preparing, leading and celebrating liturgy. Workshop-seminar experiences are integral to this unit.

The Practice of Worship is designed to foster greater competence and confidence in those responsible for assisting others to engage fully and actively in a variety of liturgical celebrations, whether in parish, school, or different pastoral care contexts.

* Please note: this is a Masters-level unit (8500 level). Subject to degree requirements, it may be credited towards a Grad. Cert., Grad. Dip., MA, or MTh.
