## CANON LAW AND CELEBRATING MARRIAGE

---

---

Join us in exploring the relevance of ***Canon Law regarding the Celebration of Marriage*** in a series of modules at CIS.

These modules are designed to assist clergy, parish secretaries and others who are interested in the preparation and celebration of marriage.

Those who attend will gain an understanding of how the Catholic Church governs its internal affairs.

The “Red Book” – ***Celebrating Marriage in the Archdiocese of Sydney*** has recently been updated to take into account the significant and rapid social change in Australian society and in the Church as well as recent changes to the 1983 Code of Canon Law.

The Modules will follow the structure of the book.

**A Text will be available to those who enrol.**
