2023 FEES

2023 FEES

Fees are payable by the census date of each course. Courses may have different census dates depending on their session (e.g., Summer Term, Semester 1, X05, etc.). Census dates can be found on the full CIS academic calendar or by contacting the Registry. Where a student withdraws from a course before its census date, if tuition fees have already been paid for that course, the fee for that course will be refunded. After census date, no automatic refund applies. Fees are paid to The University of Notre Dame Australia, and information as to how fees are paid is available via the UNDA MyPortal.

NOTES ON FEES

- Results may not be issued until all fees, including any library fines, are paid.
- Any student enrolled for degree, not-for-degree, or in audit study at CIS is automatically a member of the Catholic Institute of Sydney Student Association (CISSA). There is no charge for membership.
