

The Institute News

GRADUATION PORTAL

Please be advised that the Graduation Portal (found within the Student Centre, under Academic Records) is **now open**. All students who expect to meet the requirements of their program of study at the conclusion of this first semester should 'apply' for graduation via this avenue at their next convenience. Should you encounter any difficulties with completing this action, or be unsure of your eligibility for graduation, please contact the Registry.

UPCOMING 'X0B' SESSION

A gentle reminder that this week is the last in which students might enrol into courses timetabled for delivery in the upcoming 'X0B' session, commencing next week.

'TEN POPES'

Students seeking to enrol into Dr Robert Andrews' 'Ten Popes Who Shook the World' should *not* search for this study within the Student Centre by this subtitle, but rather, by the generic title of all CIST courses ('Studies in Divinity').

MASS IN CIS CHAPEL

During the semester, Mass is celebrated in the CIS chapel at 12.40 pm, Monday to Thursday. It will happen from time to time that the Mass can't be celebrated, so please check the calendar that will be posted on the chapel door and other notice boards at the beginning of each month. We don't have many opportunities to pray together as the CIS community, but this Mass can give some rhythm to our communal worship.

**Mass will be celebrated on Monday to Thursday at
12.40 pm this week.**
